

Dear Parents and Carers,

It is coming to the end of a very warm, summer term here at Beechwood and I would like to thank all of you for your continued support this academic year! It has been a joy and pleasure to see your children grow and flourish over the academic year and lead our school community again this year.

An extra thank you to Miss St Juste for organising such lovely leavers events for our Year 6 pupils this month! I know that you will all join me in wishing Class 6 SJ well for their next step of their educational journey to secondary school.

Some of the recent highlights and upcoming dates are captured in the newsletter from Mrs Skidmore: <https://sway.cloud.microsoft/5OjDxpTVfDQtoeSL?ref=Link> hope you enjoy reading it and seeing some of the lovely good news stories too.

We have been busy making plans for next year, some of which include the development of the large playground as the old site house will be demolished this summer!!!! The neighbours have been notified and the demolition company are in place. If you have older children, who you trust to go out to play without an adult, please inform them that our school site will very much be a building site therefore they should stay away from the area, to keep themselves safe. I have also been

working with St Joseph's RC Primary School to tackle the illegal parking and improve safety too so I hope to have more updates from DMBC in the Autumn Term.

Thank you to everyone who completed our school survey last week. We have listened to your feedback of having more workshops with pupils so the first ones will take place Years 2 - 6 which will include a Reading Cafe! The dates are in the newsletter above. Finally, the Trust survey is still open so please do share your feedback here: <https://forms.microsoft.com/e/m6GUcG7NTi>. The closing date for this is Friday 26 September at 16.00.

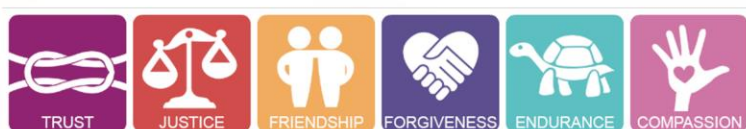

Please remember that we will close at 12:45pm tomorrow, after the pupils have had their lunch so we can prepare for the building work at school. Thank you for your co-operation with this.

It just leaves me to wish you all a healthy, enjoyable school holidays with your family.

Yours sincerely,

Mrs Blick
