7:30 - 8:00am**
*(8:00a-8:30am- will be our free
breakfast club)*

£1.75
per session

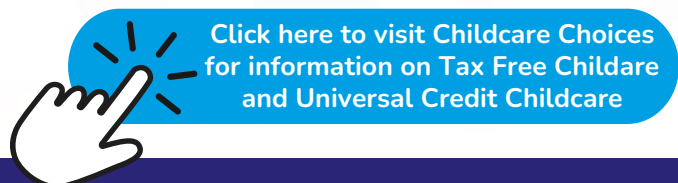

We are pleased to offer a Wraparound Care provision, providing a safe and nurturing environment for your child after school hours.

This service includes a variety of fun and stimulating activities designed to keep children entertained and foster their creativity and social skills. Whether they're participating in arts and crafts, outdoor play, or interactive games, your child will have the opportunity to unwind and enjoy themselves in a supportive setting at the end of the school day.

We support Tax Free Childcare and parents in receipt of Universal Credit.
